

# Noah Roworth has been shortlisted in the Jersey Finance Rising Stars awards 2024

---

April 2024

IT Operations and Application Support Analyst Noah Roworth has been shortlisted in this year's Jersey Finance Rising Stars Awards in the Operations and Support category.

Aimed to inspire the next generation of finance professionals, the Rising Stars Awards recognise and reward the young talent within Jersey's finance industry, celebrating their successes and achievements.

Noah was put forward by Director of Information Technology [Craig Hartley](#) who said: 'Noah's exceptional blend of technical ability and exemplary customer service skills distinguishes him as a genuine rising star within Jersey's tech industry.'

Voting is now open and will close on 10 May. Individuals may vote up to three times. If you would like to vote for Noah, please click [here](#).
